Spring is almost here, just a few more weeks, and we've got the perfect lineup to keep you nice and warm until then.

Newcomer Ivy Jones' sweet innocence will melt your dominant heart. She's the kind of girl you want to protect, and lavish with every kind of punishment. The knavish creature loves nothing more than a fire-hot ass and a stern master to control her passionate orgasms.

Speaking of controlling orgasms, we interview the interesting Sidney Coca and his two gorgeous female playmates, Natasha

Starr and Rebel Lynn. They offer an intimate glimpse into their three-way relationship. They confirm what we always knew that two mouths are much better than one.

Natalia Starr, the stunning real-life sister of Natasha, graces our cover and centerfold. She suffers beautifully and her nipples endure enormous pain for your pleasure.

So sit back and enjoy the ride. We strive to bring you the best fetish flesh possible. Let us know how we're doing.

When did you start fetish modeling and under what circumstances?

I started to fetish model when I first shot for Kink. It was bondage and rough sex. I'm into rough sex.

Had you seen it before?

Yes, that's actually why I got in the industry, because of it. I was very interested in exploring that side.

Did it live up to your expectations?

Yes!

Are you still pushing your boundaries and kind of still finding what you like?

I actually always just push myself. There's nothing I've come across not to like. I get off on challenging myself.

What are your fetishes, and do you have an interest in fetish in your private life?

I like balls in my face, I have an ass-licking fetish, a fat guy fetish and I really like being deprived of air when I'm deep-throating, or choked. Either way.

Why did you want to shoot for TABOO?

Because it's something different than what I normally do photo-shoot-wise. I hadn't done a TABOO photo-shoot.

Have you ever been spanked before?

Yes, many times and I enjoyed it!

What is the wildest thing you've ever done on set or in front of a camera?

Probably when I accidentally tasted my own poop before, but it was just because someone put their finger in my butt and I acted like I liked it. It was a live thing, so I just went with it in the moment.

The fat guy fetish is interesting. We've never heard anyone say that before. We've heard of guys liking chunky girls, but not the other way around. So do you like fat guys ass-licking?

Yeah! It would be cool if he were eating too, LOL! I've got some ideas, and I think I might try to get into creating some of them.

You should be a director.

Yeah, I have some great ideas. I think that some people

do have these fetishes in real life. I don't know why it hasn't been done.

Have you ever been pissed on or pissed on someone?

Yes, I've been pissed on and I've pissed on someone! I like being pissed on the most though.

Have you ever been pissed on in your mouth?

Yes!

And in your pussy?

Umm...I don't think so. No, I don't think that one's been done LOL!

What do you think about anal sex?

I love anal sex!

When did you first try it?

When I was 16 years old.

Was the person experienced or did you have to guide him through it?

He was experienced. He was a lot older than me.

How old?

He was about seven or eight years older.

Are you more interested in the art of fetish modeling or the sex of fetish porn, or both?

Um, I was more porn, but I'd say both because I kind of like modeling; it's different.

Is there anything else you want the TABOO readers to know about you?

If you really enjoy fetish stuff then you should definitely check out my stuff, because I love it and you can tell when somebody really enjoys it!

Are you in a fetish lifestyle partnership or would you like to be in one?

Probably not in the dom/sub relationship-type of thing, but I wouldn't mind doing things in the bed sometimes that are kinky! ;)

Are you an exhibitionist?

Probably that is why I want to be in magazines. They are so permanent compared to the internet.

TABOO CHAIN MAIL

Readers Rant and Rave

Dear TABOO

Speaking as an almost charter subscriber to TABOO Magazine, I'm concerned about some of the content (or lack thereof) since the Jan/Feb issue. There are not enough pictorials of males and females engaging in hardcore action. No female being banged by a male hard-on, no blowjob, no butt-fuck! I'm very disappointed.

I don't know if the models hired are refusing to perform hardcore, or if it's a new editorial decision, but I for one want models that'll act in the long-time TABOO tradition! The latest issue would've been so much better if models Amarna and/or Aurora had been fucked by a real penis rather than a toy! I'd really enjoy seeing them literally dragged back by their hair for an encore that has them bound and fucked by males!!

I enjoyed the bonus DVD with Tali Dova, but again, as in the previous issue pictorial, no real penis doing her (at least have Sovereign Syre from the same DVD and Sept/Oct issue give her a strap-on going over?).

The panty parade photos didn't go far enough with TABOO readers' ex-

pectations. That was fine stuff with the model peeing in her panties, but where was the follow-up shot of the soaked panties draped over her face and head? I want to see the model's ass "beet" red before she's fucked there!!

—Disappointed (but hopeful) fan

Dear Fan,

You are in luck! This issue (as well as last) there is lots of hard cock to go around!

It may surprise you to know that some readers don't want any cock within miles of these pages. The mere sight of a pair of hanging balls sends some folks running.

We get all viewpoints from our readership and we are glad for that. It keeps us on our toes. We always try to include some boy/girl in every issue.

Dear TABOO,

Fifty Shades of Grey is not the way to do it. I am a white man who has had three female slaves—a Brazilian mulatta, a Spaniard and a Chilean. Still have the last two. No contract needed. They did and do anything sexual I demanded and often were in no position to do

otherwise due to restraints. No safeword. That would put them in control. Their trust must be absolute. They also were good housekeepers and cooks. Nothing to do with other men, but otherwise they come and go as they please. If they have some interest, I encourage it and help if possible. Women respond to confidence. —Rangval

Dear Rangval,

We could not agree more that *Fifty Shades of Grey* is lame. We said as much when the book/film came out.

However, we do believe in communication between the Top and bottom. If both agree to no safeword, fine. Too many "Doms" out there have no idea what they are doing, having had no education in the protocols of safe play. Unfortunately, the people that submit to them may not be any better off, so everyone is uneducated. That's a bad combination.

We prefer consensual literacy where everyone is involved in the decision-making. Otherwise, it is called something else, abuse. There is nothing wrong with confidence if it comes from the right place. Be smart, play safe.

What made you want to shoot for TABOO?

I've always wanted to shoot with HUSTLER Magazine. It's actually been a long-term goal of mine to get published in a HUSTLER adult magazine. I love what you all represent about women's body positivity. It's been a pleasure to get to work with you guys and do something that I love personally, which is a little bit of bondage.

What fetishes do you like? What do you fetishize in your private life?

I'm kind of a people pleaser. So when I'm dating someone that has a new fetish, like super into spanking or whipping, it's something that I kind of take on as an interest of my own. I'm kind of a submissive, and I just like to please my dom. Something that I really enjoy is being tied up in the bedroom. I think that there's a weird connection that you have with somebody when you trust them enough to have them tie you up, and they still respect you and your sexual wishes.

Well that's pretty advanced. So you've done this for a while?

Yes, in my personal life and also in my modeling career it's something I really enjoy exploring.

In your professional life what do you prefer, boy/girl or girl/girl?

I do g/g and solo scenes. I just love exploring with my own body, so being able to do that in front of the camera and get feedback from fans or the people I work with is really awesome. I've been doing still modeling without video work for a little over a year, so most of my experiences are in that. Video work is a little bit newer to me, but it's a challenge that I'm taking on that I'm really enjoying so far.

What do you like about video work?

There's just a whole new level to it. When you're behind the camera doing stills, you have to be on point when the camera is clicking, but when you're in front of the video camera, you're always on. You're kind of challenged to move your body and portray yourself 100% of the time as this sexual being, and for me that's really fun because I like turning people on!

How old are you?

I just turned 22 a couple days ago.

So, you're still young. How long do you expect to stay in the industry, or do you have any particular plans?

I'm going to school for archeology, so I've been planning to do modeling for about five or six years and then, when it starts to get old or I get a little old for the industry, I will probably move on to pursuing archeology and getting to explore the world more—less as a model and more as just someone who studies history and humans in general.

Tell us about some of your fetish experience.

I've worked with a couple of production companies that make fetish videos. That's when I first started doing video work. I've done everything from dead bodies to choking, belly button, foot fetish, of course bondage and freeze fetish—that's pretty hard because you have to stand still for a really long time without even blinking.

So what is that about? You literally freeze and don't move?

Yes, so basically what happens is, for whatever reason in the video, you're not frozen because of the temperature but because of a science-fiction-related reason, like a time-stopping ma-

chine. So let's say I'm playing a school teacher, and I'm teaching someone and they have a special machine that will freeze me. I'll be teaching them and they get bored, so they freeze me and I can't move. Then they'll mess around and play with my clothes or put something in my hand that wasn't there, and then when they unfreeze me I have to act surprised. It's interesting to see that people are turned on by that. I'm not sure why, but I think it's really cool!

What about your sex life? Tell us about when you came to find yourself as a sexual being.

Well, the first time I masturbated I think I was like 12 or 13, and after that I kind of blossomed into this sexual person. I've never had a problem with being open about my sexuality, but then I think I lost my virginity when I was about 20 or so. I was kind of a late bloomer. I liked to take it slow when I was dating people, but since then I've explored a lot more. I consider myself hetero-flexible. I really enjoy being with men, but I like to explore with women every now and then. I'm not fully bisexual but maybe becoming LOL! I don't know.

And what about pissing? Have you ever been pissed on or pissed on someone?

No, I haven't done that. I've had a couple people interested in me giving them a golden shower but for whatever reason it didn't happen, but I'm totally open to that experience.

Spanking, is that something you enjoy?

Yes, anyone that I've ever dated will tell you that I ask for spanking all the time. It's kind of expected. I love a good spanking, especially when I've been bad.

NATALIA STARR

Twitter: @thenataliastarr

So this is your first time doing a real bondage shoot?

Yes. I did not expect it to be so hard, but I really liked it.

What did you think?

It was fun and interesting. I can't wait to see the photos!

What was your favorite part?

The spanking. I am surprised, it got me really excited.

Have you ever been spanked like that before? With a boyfriend maybe?

No, not like that. They could use some lessons!

What kind of fetishes do you have in your personal life?

I have a cock fetish. I never met one I didn't like. They are all so different. I love them all!

How long have you been doing porn?

For about four years.

What's the craziest scene you've done?

This one, actually! I haven't really done anything too crazy. I like anal. The first time it was a little scary, but now I enjoy it!

Have you done a scene with multiple guys?

I haven't, but I have with multiple girls. When I started doing porn is when I learned to have great sex with girls. Before that, I was just experimenting.

How often do you masturbate?

Every time when I webcam. I really masturbate. I don't fake it. I think it makes the scene so much better when it's real. In my personal life, I masturbate at least once a day. Sometimes when I just walk, my legs rub together a certain way and it gets me so turned on I have to masturbate when I get to wherever I'm going! One time I did it in an elevator going to an appointment!

Weren't you worried there was a camera in the elevator?

It was in a really beautiful, old building in St. Petersburg; there was no camera...that I know of!

When I told you that we were going to be shooting in an S&M club today, you said "Oh, that would be fun. I can come spank some guys!" Do you think that would be fun to be the spanker and not the spankee?

Yeah, that would be fun! I think I would be a good spanker

because I spank really hard. I have a very strict side to me!

Do you think that you have more of a dominant personality or submissive?

I think I can switch. I have the mental capacity for either. When I am with women, I am much more dominant. But with men, I think I'd rather be submissive. But they must be strong men to handle my personality. That is what I prefer.

How did you like being shackled to the wall today?

I felt very restrained and vulnerable. I couldn't move very much. It was interesting. I would like to try bondage in my personal life with someone I really trust. I love to try new things sexually.

What are some more kinky things you've done?

I've had sex with a dad and his son before. I fantasized about getting DPed with both of them.

Who did you know first?

The dad. His son was really hot. The first time I met him, I knew we would fuck. I could not take my eyes off of him.

Do you think they had done that before?

I think so, because they had just met like two years before. He didn't know he had a son. And I also had sex with two brothers before. That was an amazing experience. They looked alike and everything. Even their cocks looked related! LOL

What did you think about the nipple clamps today?

They hurt so much, and my nipples are so sensitive that they hurt for 20 minutes after you took them off! It's sexy for something to linger like that.

The clover clamps?

Yes they really hurt, but the other ones weren't so bad.

So is that something you think you'd like to do for fun?

Yes, I would, with the right situation.

So when they sent you the example pictures before the shoot what did you think?

I thought that it looked fun and different. That's why I like porn because you get to do a lot of different stuff. It's not something that I'm used to, but it's still fun. I learned some new things about myself. That is always worth it!

URINATION NATION

PHOTOS BY X-LABS, CHICAGO

"I was stuck in an animal cage with a bunch of hay bales. At one point a handler came in and pushed his cock in my mouth. He whipped me everyday. That was the first human contact I had for what seemed like weeks.

"I liked to sleep in the hay but did not want to go to the bathroom where I slept. After a while I just said fuck it. I have to piss really bad. I grabbed an old mirror and watched my urethra expand and open up. My bladder was so full, and out the urine came, and came and came. The smell was foul at first. But as days went by I got used to it. Then I grew to like it."

—Charity

Insta: the_rebel_lynn

How did you become a three-person throuple?

Sidney: We love that word made up by our PR agent, Lainie Speiser. Proper word is *triad*. Natasha and I had been together five years when we met Rebel Lynn at an agency we were all working with. Natasha helped Rebel with her first real shoot and they hit it off, while I was trying to get her career launched. I saw the potential even though that agency did not. We invited her home one day to hang out with us. We had incredible sex that night for eight to ten hours and she never left!

What are the dynamics and roles?

Sidney: Since Natasha and I have been together so long, our roles are defined. We weren't looking for a girlfriend...it just happened. We didn't have a preset plan for roles, so with constant communication we have fallen into our roles. Rebel came into our lives as a pet, but she has become much more than that. She is our girlfriend, our lover and best friend. We have met each other's families, sleep together, and share everything just like a regular couple. Only difference is we are a triad.

What are each of your personal fetishes?

Natasha: I love gangbangs, my feet sucked on, voyeurism, exhibitionism and siliophilia, which is a fetish of having sex in mud or filth, or your partner being dirty and sweaty.

Sidney: I never thought swinging was a fetish—it was just me all my life! I love anal sex and cunnilingus. I think my biggest fetish is how much I get off having my woman orgasm over and over again, even forced consensual orgasms.

Rebel: I love to drink my couple's pee, but don't want it on me at all. I also love gangbangs, voyeurism and exhibitionism.

Who is dominant, and does that change?

Sidney: As the male, I like to be the dominant one sexually and in our life, but Natasha is a very strong woman. Rebel in this situation is our pet. We do dominate her, and she loves submitting to us. I think my role is to keep them happy in and out of the bedroom by giving them what they want and how they want it.

Who is submissive, and does that change?

Sidney: Rebel is mainly the submissive one to us. That does change on occasion, based on our moods. Natasha may be in the mood to be submissive at times, so we go with the flow.

How does the relationship play out sexually and nonsexually?

Sidney: Sexually, just like other couples, except our sex is usually a threesome. Since Natasha and I were together for so long prior to Rebel, it's important for us to maintain our personal sexual relationship without making her feel left out. Plus, with our individual work travel schedule, one of us could be away at anytime, allowing the other two time together.

Has jealousy or similar human emotions ever threatened your relationship? If so, how do you overcome these tendencies?

Sidney: The only way to deal with tendencies is by constant communication. If any of us are uncomfortable with any situation, we discuss it and clear the air. Nothing is more important than talking about issues. Jealousy has played a small role, but never threatened our relationship.

How do you, Sidney, and Natasha feel about pissing?

Natasha: One night Sidney woke up with this urge to piss in Rebel's mouth. He had never thought of that before. He woke up Rebel and said, "I want to pee in your mouth." She got on her knees

and drank it all in. It was very erotic. She totally submitted to him.

Rebel: I never thought about this before. When he asked, I just did, no hesitation! I totally gave myself to Sidney, submitted a hundred percent. I looked into his eyes and he into mine...it was amazing! I can almost orgasm for him when we do this. Drinking Natasha's pee was such a turn-on...her beautiful pussy and looking into those sexy Polish eyes. It did not surprise me that she tasted like fresh berries!

Did pissing come into your life with Rebel?

Natasha: Yes it did, from his perverted, middle-of-the-night mind. Sidney introduced us to erotic pissing, and Rebel quickly loved it. She mostly drinks his pee, on a couple of occasions mine. No one else. That's just for us.

Have you ever spanked Natasha or Rebel?

Sidney: Yes, I have spanked them both. They each have their individual charms.

What about rough sex, choking, breath play?

Natasha: Oh yes, we love it all! The sex we consider normal would be rough play to most. We have theme nights, like anal night or double-vag night, big toys night, and we go hard, marathon-style. We both love to be choked hard while getting pounded savagely by Sidney. Choking, cutting off our air supply by covering our nose and mouth is amazing. It takes us right into pure ecstasy, mind and body orgasms.

Talk about your experience with voyeurism.

Rebel: I've always loved watching people have sex, whether it was porn or live, and even better if it's sneaking so they don't know! I enjoy watching my couple play with each other; it totally drives me insane! I masturbate and come nonstop. I'm multiorgasmic, and at times I'll come so much and so hard I faint!

DRILLED AND FILLED

PHOTOGRAPHER
LEE FORBES

I'M SICK, SICK, SICK! Like the weirdo in that movie, my clit throbs behind having the tender, pink tissue of my mouth worked over by a fiendish dentist. Luckily, I found the perfect pervo doc. In his office after hours, he props my choppers with the evil jaw-spreader, jabbing my gums with a little dose of adrenaline to keep my tail wagging. I feel my heart thumping under the tight straps holding me down. Stuffing his fat cock in my scared, little face, he pumps away, amused by my gagging and drooling.

Tonight, he's got a new toy for me: a wicked speculum borrowed from a gyno buddy. He pries and stretches my pussy, juicing me up to the begging stage. I'm ready for the

"special rinse" administered from his surging pee-hole into a metal can, then delivered by a force-feeding gag inflated to the back of my throat. I swallow as much as possible before he pries out the bulb and lets me spit up the rest of the acrid, yellow fluid all over my bare tits. I feel so dirty and violated, I plead for him to pack me right. Finally, I get my favorite instrument where I need it worst. I come so hard I nearly pass out.

Now it's his turn. As usual, he makes me work for it, squatting and sucking while he intermittently tightens the strap around my throat. Watching me empty my bulging bladder into the steel bowl pushes him over, and he dumps his load down my gullet. My insides spasm again. I guess I'm just an oral kind of girl.

I looked down at her soft flowing hair as she began my healing. She glided me past her soft lips into her warm wet mouth which sent tingling sparks to my brain.

I made my way down kissing her neck, erect nipples, belly and then to her feminine flower that was already dripping wet and hot.

Clean, smooth, tasty with perfect small delicate petals. My favorite kind of flower to dine on. And I did and loved it.

She is the girl that in high school everybody wanted and only the star quarterback got.
